Estimated purchase price of new property:

Terms & Conditions

To be eligible for 'Move On Up', you will need to pass an affordability assessment for your new home, therefore Terms and Conditions may apply. 'Move On Up' is Peabody's Transferable Equity Scheme which helps our existing Shared Owners use the equity in their current home to purchase another Peabody home through Shared Ownership or as an outright 100% leaseholder by buying a Private Sale property or where criteria met with Help to Buy.

Please note: In the event of your Shared Ownership reservation not being successful, the fee is refunded providing you had started the sales process of your current home, alternatively, the fee can be transferred to another Peabody development that may of interest to you. Peabody reserves the right to accept or reject your Application for any reason at any time. If Peabody rejects your Application you will receive a refund for any fee paid.
