Greenwich, from day one

Royal Greenwich is a hive of activity. Take in the Cutty Sark in all its iconic glory or take a stroll to the world-famous Royal Observatory. Position yourself north to reveal the gleaming towers of Canary Wharf, the capital’s premier business district.

From the establishment of Greenwich Mean Time to the birthplace of Henry VIII and Elizabeth I, the history of these lands runs through the Royal Borough of Greenwich. This district wholeheartedly embraces the past, but with a foot firmly in the future, connecting the Victorian streets to the dramatic views of the waterfront.

It’s a centuries-long unfinished story that makes this extraordinary enclave like no other.
